South Western Sydney
Local Health District

Ingham Institute
Applied Medical Research

South Western Sydney

- Sydney's fastest growing region and one of the fastest growing regions in Australia
- The population is expected to increase by 33% by 2031
- Liverpool is the '3rd Sydney City' with plans for a health, research and education precinct to rival the best in the world
- Significant investment is underway in South Western Sydney

South Western Sydney Local Health District

- The largest and fastest growing district in metropolitan Sydney, with hospitals in Bankstown-Lidcombe, Bowral and District, Camden, Campbelltown, Fairfield and Liverpool
- One of the largest employers in South Western Sydney with 17,000+ staff

Bowral & District Hospital

\$55M has been committed by the NSW Government for Stage 2 redevelopment.

Liverpool Hospital

\$740M to establish a world-class health, education and research precinct in Liverpool.

Ingham Institute Liverpool

Adjacent to Liverpool Hospital, to facilitate co-location of research, education and clinical practice, with Research Centres focused on:

- Cancer
- Cardiovascular
- Neurology & Stroke
- Obstetrics, Midwifery & Women's Health
- Robotics, Medical Devices & Health Technology.

Fairfield Hospital

\$550M committed to this major metropolitan hospital which provides a wide range of hospital and community based health services

Western Sydney International (Nancy-Bird Walton) Airport

Fairfield

Liverpool

Bankstown

Bankstown-Lidcombe Hospital

\$1.3B committed to building a new Bankstown-Lidcombe Hospital.

Ingham Institute Bankstown

Planned within the new Bankstown Hospital with Research Centres focused on:

- Ageing
- Orthopaedics & Musculoskeletal
- Rehabilitation

Camden

Campbelltown

Campbelltown Hospital

\$632M upgrade recently completed.

Ingham Institute Macarthur

An integrated health, research and education facility located on the Campbelltown Hospital campus with the purpose of facilitating scientific and industry collaboration, with Research Centres focused on:

- Addiction Medicine
- Diabetes & Obesity
- Indigenous Health
- Mental Health
- Paediatrics & Child Wellbeing.

Ingham Institute

- To meet the health needs of the growing community of South Western Sydney, the Ingham Institute is expanding
- The Institute is working with the SWSLHD and university partners to develop a network of strategic locations: Liverpool, Campbelltown (Macarthur) and Bankstown
- This integrated model ensures research is applied to clinical practice, health services and education, to achieve direct health outcomes to the community
